NOTICE

Memo No: 33/2-2026-PS (E-2) **Dated: 23-04-2026**

It is hereby informed to all concerned applicants/parents who have applied for admission under the provisions of the Right to Education (RTE) Act, 2009 for the academic session 2026–27 that the Department has initiated a verification drive to verify the documents and information submitted at the time of registration/application.

The said verification process is being conducted at the level of the Block Level Education Officer (BEO) through the designated Block Level Committees under RTE admissions.

During the analysis of verification data, it has been observed that a significant number of applicants/parents have not reported before the concerned BEO Level Committee for verification of their documents.

In this regard, it is hereby clearly notified that:-

1. **Document verification is mandatory** for all applicants to validate their candidature/application under RTE admission.
2. **Applicants/parents must appear in person** before the concerned Block Level Committee along with all original supporting documents.
3. If any applicant/parent fails to appear for document verification on the scheduled date, **their candidature/application shall be liable for rejection without any further notice**.
4. No claim for admission under RTE shall be entertained in the absence of successful document verification.

For the convenience of applicants/parents, the document verification has been scheduled as under:

Date of Verification: 22.04.2026 to 24.04.2026

A detailed provisional list specifying the **concerned Block** has been shared along with this notice. Applicants/parents are advised to check the list carefully and appear at the designated location accordingly. This may be treated as the **final notice**. No further opportunity shall be provided under any circumstances.

Note: ***The Department shall not be responsible for any claim arising out of non-participation in the verification process.***

Assistant Director
Private School Branch
for **Director Elementary Education**
Haryana, Panchkula

List Enclosed: 41045 Provisional Applicants
